## OBJECTIVE:

Innovative and results-driven Senior Designer / Marketing Director with over 28 years of experience in graphic design, user experience and brand development. Adept at leading design projects from concept to execution, mentoring teams, and driving creative strategies that enhance brand identity and user engagement across multiple campaigns. Seeking to contribute my skills and focus and apply it with a promising company where I can apply them effectively.

## Design Production Skills

**Advanced Proficiency in Design Tools:** Mastery of tools like Adobe Creative Suite (Photoshop, Illustrator, After Effects, XD, Sketch, Indesign) and Figma.

**UX Strategies:** Communicating design ideas and building workflows and sitemap wireframes using Figma.

**Visual Design:** Detail-oriented Marketing Design Specialist with expertise in typography, color theory, layout, and visual hierarchy as well as brand recognition.

**Tracking and Graphic Analysis:** Ability to use data and analytics to track conversion rates and make informed design decisions and iterations with the knowledge and ability to scale a successful advertising campaign.

**Motion Design and Video Editing:** Strong grasp of animation principles such as timing, easing, anticipation, and squash and stretch.

**Print Design:** Create print materials such as brochures, posters, magazines, business cards, and packaging. Understanding in depth knowledge of all file formats and print resolutions and color matching to achieve perfect final results.

**Web Languages:** Expert hands on experience in HTML, CSS, JS, PHP and MYSQL using multiple frameworks (ie Bootstrap, Word Press, Laravel, and Wordpress)
